

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Maurice Alan Vaden**

Docket No. **287744**

L.C. No. **2006-400863 FC**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The delayed application for leave to appeal is DISMISSED for lack of jurisdiction because it violates MCR 7.205(F)(2). In *People v Vaden*, No. 275598, this Court denied the defendant's application for leave to appeal and the Supreme Court denied the defendant's application for leave to appeal except for a remand for resentencing because the guidelines were incorrectly scored. The instant application for leave to appeal exceeds the scope of the remand because the defendant is now attempting to litigate the validity of the plea in contravention of MCR 7.205(F)(2).
